Features

3 reels
27 paylines
Joker: The Joker is a replacement for other symbols.
Double Win: Double your winnings with nine identical symbols!
Triple Joker Special: With three Jokers in one row, you get the winnings for each symbol.
Joker: Each winning combination with a Joker leads to higher winnings.

Paytable

The following table shows the winning factor for all winning combinations. The winning factor represents the multiple of the bet value that is returned to the player when the winning combination occurs.

Combination	Factor with Joker	Factor without Joker
3xCherry	3	2
3xDollar	3	2
3xOrange	3	2
3xPlum	3	2
3xBar	24	16
3xGrapes	24	16
3xBell	30	20
3xSeven	60	40
